SKILLS

- **Languages:** Java, Python, C
- **Frameworks:** HTML and CSS
- **Tools/Platforms:** MySQL, AutoCAD
- **Soft Skills:** Problem-Solving Skills, Project Management, Adaptability, Observation

PROJECTS

- **Sports Performance Analysis:** Nov, 2024
Performs an Exploratory Data Analysis (EDA) on sports performance data to uncover patterns and relationships within player statistics, evaluate team performance, and analyze game outcomes. The analysis involves data cleaning, manipulation, statistical analysis, and graphical visualization using Python libraries such as Pandas, Matplotlib and Seaborn.
Tech: Python.
- **Movie Ticket Booking System** March, 2023
Designed to provide customers with an efficient and convenient way to book movie tickets. The system enables customers to view current movies, register their details, book tickets, cancel tickets and make booking payments. The project is developed in the C programming language, making use of various concepts such as arrays, functions and file handling.
Tech: C Language
- **API - Enabled Weather Forecasting**
The program utilizes an API key from the OpenWeatherMap app, which offers access to detailed weather forecasts, including temperature and weather condition, with the added capability to specify the location of interest. Users can retrieve forecasts for up to ten days, enabling effective long-term planning.
Tech: Python

CERTIFICATES

- **Internship at NGO:** Jun, 2023
Contributed to initiatives promoting women's economic and social empowerment. Engaged in skill development programs and community outreach activities.
- **The Bits and Bytes of Computer Networking (Coursera):** Oct, 2024
Learned networking fundamentals, including protocols, IP addressing, routing, and troubleshooting, preparing learners for IT and network-related roles.
- **Database Management System & SQL (BOARD Infinity):** Jul, 2024
Covered fundamental DBMS concepts, structure, queries to manipulate database, data storage, retrieval and updating using SQL

ACHIEVEMENTS

- **Rajya Puraskar** 2019
- **Scored 83% in JEE MAINS** 2022
- **Participated district level Football competition** 2018
- **Lovely Professional University** Punjab, India
Bachelor of Technology - Computer Science and Engineering Since August 2022
- **PKMMHSS EDARIKODE** Tirur, Kerala
Intermediate; Percentage: 94% 2020 - 2022
- **PKMMHSS EDARIKODE** Tirur, Kerala
Matriculation; Percentage: 99% 2020
